

Ministerial request

Cherry-pick some good looking data for the minister's next interview

Requires 2 planning. You must complete this responsibility before you can play inAction cards on your active projects.

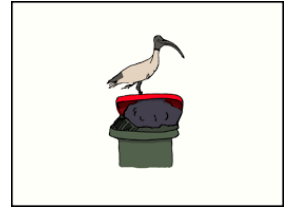

The White Elephant

The project that just won't die.

Play this card on another player's project card at the quarterly team meeting. Requires 1x planning, 1x writing, 1x data analysis, 1x stakeholder engagement.

Restructure

The Minister is reassigning staff based on their "strengths".

Each player must hand all of their projects to the player on their left, inAction cards are returned to your hand.
